

Working With Children

Under the Working with Children Act 2005, people who are doing child-related work (children are classified as under the age of 18 years) whether voluntary or paid are required to undergo a working with children check and be approved to hold his or her position in the organisation.

It is the policy of the Canterbury Junior Football Club that officials including Coaches, Trainers and Team Managers who have regular team contact are required to have a current Working with Children card which shall be recorded by the club. Failure to supply a current card will preclude the adult from undertaking regular team related roles.
