

Welcome to the Canterbury Cobras in 2022.

I am thrilled to announce that our season is getting underway after months of planning in the off season. The excitement is building, with new Committee members, team coaches & training schedules.

The YJFL season will kick off on Sunday April 3.

Registrations are now open. To secure your place in a team please follow the steps below:

Registration Process

1. Please register by using the link on the Home Page of the Canterbury Junior Football Club website www.canterburyjfc.com.au
2. PlayHQ is the new Platform used by the YJFL, so previous player profiles will be matched through this process. An account may already exist for the player, as some basketball and cricket competitions have started to use this.
3. Please use the same email address to register as previously used for PlayHQ or SportsTG. Contact the support team if this needs changing.
4. Early Bird Pricing is available until February 20th.
5. It is important to apply the voucher code **83BD1FCC** to gain the early bird discount through the payment process

	Total Fees
Under 8 & 9's – Early Bird to 20th Feb	\$245.00
All other Age Groups – Early Bird to 20th Feb	\$295.00

A 15% discount from the Club fees will be applied for each additional child registered.

Contact Tim Phillips with any registration or process queries (phillips.tim@bigpond.com)

Coaches will be in contact shortly to confirm team training times.

Tell your friends, and come join this great Football Club.

Go Cobras!

Andrew Hedding

President, Canterbury Junior Football Club
